LEGISLATIVE HISTORIES

The 1997 Montana Legislature dramatically changed the nature of legislative minutes. This altered format continues with the 1999 legislative minutes. The minutes from House committees are extremely sparse in content, offering no substantive information from which to glean legislative intent. The Senate committees' minutes are fuller in content.

Exhibits, which include written statements, attendant information, roll call votes, roll call attendance, a list of those from the public who were present, and specific action taken on legislative bills, will be available only through the Historical Society Archives, 444-4774, and from a CD-ROM produced by the Legislative Services Division, 444-3064.

Just as in the 1997 legislative session, the 1999 House and Senate committee hearings were recorded. For information on accessing the tapes, or purchasing them, contact the Archives, 444-4774.

If you have concerns over the format of these legislative minutes, it is suggested that you contact your state legislators.

HEARING ON HB 205

Sponsor: REPRESENTATIVE ROYAL JOHNSON, HD 10, Billings

Proponents:

Charles Brooks, Yellowstone Co.
Gordon Morris, MT Assoc. of Counties
Alec Hansen, MT League of Cities and Towns

Opponents: None

Opening Statement by Sponsor:

REPRESENTATIVE ROYAL JOHNSON, HD 10, Billings, presented HB 205. He said this bill came about as a result of a conversation with the Deering Clinic on the South side of Billings. Health clinics are service providers and are city county health department contractors. They can get a multi-jurisdictional district if all organizations agree on what they want to do. The bill simply adds line 22 which states "health services and health department functions". This is being done currently in Yellowstone Co. between the county, Laurel and the City of Billings. The Deering Clinic has an interesting program because they are composed of a number of different providers. They not only provide for city county health departments, but they also have other kinds of providers that work out of the same building. Rather than go through the authority law, this bill will simplify the matter. It is an opportunity for other cities and towns to work together on whatever function they feel is needed.

Proponents' Testimony:

Charles Brooks, Yellowstone Co., spoke in favor of HB 205. He presented a letter from the County of Yellowstone (EXHIBIT 1).

Gordon Morris, MACo, supported HB 205. This law was first passed in 1985 dealing with multi-jurisdictional service district areas. The bill is straight forward and simply adds line 22. When the bill was introduced in 1985 the language ended on line 12 and since then, as clean up measures, lines 13-21 have been added. He urged passage of this bill.

Alec Hansen, MT League of Cities and Towns, said they supported the initial bill back in 1985. This law has not been used broadly in the State of Montana but it is a very good idea. It is a good way to ensure people using these particular services are the ones that cover the cost. In terms of health services, this will work very effectively. He said in Helena, the south part of the county is where most of the population is and if a library district is set up, those people can use the library and the people in Augusta don't have to pay for the library because of the service district.

Opponents' Testimony: None

Questions From Committee Members and Responses:

SENATOR DOROTHY ECK asked do we have any multi-jurisdictional areas that include more than one county. Gordon Morris said yes the state does, there are regional juvenile detention facilities organized under this bill.

Closing by Sponsor:

REP. JOHNSON closed on HB 205.

EXECUTIVE ACTION ON HB 205

Motion/Vote:

SENATOR J.D. LYNCH MOVED HB 205 BE CONCURRED IN. MOTION CARRIED UNANIMOUSLY.

{Tape: 1; Side: A; Approx. Time Count: 3:19 p.m.; Comments: .}

HEARING ON HB 64

Sponsor: REPRESENTATIVE DAVID EWER, HD 53, Helena

Proponents:

Newell Anderson, MT Department of Commerce
Alec Hansen, MT League of Cities and Towns
Gordon Morris, MT Assoc. of Counties

Opponents: None

Opening Statement by Sponsor:

REPRESENTATIVE DAVID EWER, HD 53, Helena presented HB 64. He said this bill eliminates the amount of auditing we do for local governments. There is a single audit act in Montana that was passed two years ago that brought in both state and federal auditing requirements. The federal government said any federal assistant in excess of \$25,000 needs to be audited. The federal government recently revised this to an excess of \$200,000. The board of investments have a lot of requests from small governments for loans. The most common are service areas and rural fire districts. He said these requests are small and when you think what it costs to have an audit it costs more than their budget will allow.

Proponents' Testimony:

Newell Anderson, MT Department of Commerce, spoke in favor of HB 64. He said the Federal government changed the minimum requirements for financial aide before having an audit. The state
